Books are infinite in number and time is short.  
The secret of knowledge is to take what is essential.

**Vivekanand Institute of Management & Engineering**

(UNIT OF AIBM Pvt.Ltd)

**ISO 9001:2008 Certified International B-School**

## Director Message

**VIME** provides a well balanced combination of academic and practical business oriented content through a unique theoretical approach. **VIME** offers understanding of businesses and organizations, along with theories on technologies and tools for resolving the problems arising in them. You will explore the business spectra in all relevant areas and learn to create solutions adapted to a company.

We believe in support the philosophy of distance education with a strong academic support oriented towards. We believe that advancing technologies endorse our endeavor and are helping us create success.

Management education today has the challenge and responsibility of preparing a new breed of creative and dynamic managers blended with the courage, stamina, resistance, skills and foresight to take the market bulls by the horns. We, at **VIME** have been paying special attention to the values acculturation of students in professional value of fairness, objectivity, compassion, team working, commitment.

Exchange of academic and professional managers and networking with the corporate house also help developing in our students, a pragmatic perspective with an eye on futuristic corporate trends. The synergy, thus generated, equips our students to handle the regime of leadership in tomorrow's corporate world and we are dedicated to creating true business leaders.

## *Vision*

**VIME** is committed to provide high quality managements education through distance learning across the globe. The key benefit is flexibility of learning anytime anywhere. the curriculum combine latest academic knowledge with International competence.

At **VIME** we dedicated our intellectual resources to advancing the frontiers of business knowledge and education future leaders. In a global, culturally diverse and technologically advanced social arena, characterized by rapid change and complex inter dependence, we aim to empower business and their leaders to understand and address the far-reaching changes affecting the world.

## *Mission*

We recognize the need of management education for everyone. **VIME** – an institute where one can learn management flexibly from any locations was conceived to fulfill this requirement. We provide access to study material and academic pursuits of excellence and one of the features is that the same course is delivered in the home territory. **VIME** Distance Learning has been made available for all levels of skill and knowledge, whether training or education. The courses are probably the best for practical skills, when detailed feedback on performance and performance improvement is required. We offer topical new fields of study which encourage you to address diverse issues.

**" Many of life's failures are people who did not realize how close they were to success when they gave up. "**

## *Why ?*

**VIME** Programs give unparalleled exposure to contemporary knowledge which is all the more essential in the fast changing dynamic business spectrum in the country.

**VIME** Programs are profession specific - the way management programs are required to be. The programs are flexible, innovative and much less expensive than the traditional, old patterned and long term programs of other institutions.

**VIME** Programs are professionally managed with emphasis on liberal and modular exam pattern enhancing managerial skills. The course material provided by **VIME** is periodically upgraded as per industry requirements.

We aim to provide the student with opportunity to apply and integrate skills and knowledge developed through studies.

**VIME** offers self-learning courses along with web support system for attending to and solving queries.

## *VIME Advantage*

**VIME** course subjects offer understanding of important verticals like International Business, Organizational Behavior, Human Resources, and Principles of Management.

**VIME** provides entire course material for self study and web support system for resolving queries. This study material deepens conceptual understanding and enhances practical application skills required by a management professional.

**VIME** provides exposure to globally accepted mode of education having its roots in Indian ethos.

**VIME** provides easy self explanatory courses with strong support system for attending and resolving queries.

**VIME** gives opportunities to develop your own hypotheses about management issues.

## Accreditation

JAS-ANZ is the government-appointed accreditation body for Australia and New Zealand responsible for providing accreditation of conformity assessment bodies (CABs) in the fields of certification and inspection. Accreditation by JAS-ANZ demonstrates the competence and independence of these CABs.

JAS-ANZ accredits 63 CABs who in turn certify some 50,000 organisations. Including accreditations and technical assistance projects JAS-ANZ provides services in over 20 countries.

JAS-ANZ is a signatory to a number of bilateral, regional and international agreements. These agreements provide international recognition and acceptance of JAS-ANZ accredited certificates and inspection reports.

ASCB(E) is independent, impartial and a paradigm pioneer in the field of accreditation.

Operating in over 25 countries world wide , ASCB(E) is thought to be the largest independent accreditation body in the world. Established in 1995, the organisation has been a persistent pioneer in the field of accreditation, well known and respected for its combination of innovative and user-friendly business acumen and its respect for the vigorous maintenance of integrity and impartiality that is the hallmark of the quality assurance profession

## Exam:

Students of **VIME** approach their examinations in liberal method. Here are the steps a student needs to take for examinations. VIME Conduct examination in two step :-

- (i) Assignment
- (ii) Term End Examination

The Assignment carry weightage of 40% marks & term end examination carry a weightage of 60% Marks. The marks obtained in both the assignments and term end examination will be merged and the grading will be awarded on the composite score.

A student may apply for examinations once ready with complete study of the books provided. Upon requesting examinations, student shall receive examination papers within twenty five working days time. Hence, student shall make a request for examinations at least twenty five days in advance At Our Center.

A student should submit the question papers along with answer sheets at the end of examination Results shall be declared within forty-five working days time in the form of marks sheet and certificate.

In case of DMS students, the certification shall be three parts consisting of Marks sheet, certificate and appreciation letter in recognition of the project work undertaken successfully as part of course requirements.

All marks sheets for semester pattern course shall be issued along with final certificate.

## Option:

If the students desire to appear for three hour class room examination, they can do so. The exams will be conducted at **VIME** study centers. In such a case the students will not be allowed to refer study material in the examination center. The students should indicate the preference for this option at the time of admission in application form.

## Re-Examination

Students will be given the opportunity for Re-examination. If they have failed. A fee of Rs. 500 Per Credit will be charged for each re-examination.

## Grading:

Grading is based on percentage of marks scored by individual student.

<b>A+</b>	-	<b>75% and above</b>
<b>A</b>	-	<b>65-74%</b>
<b>B</b>	-	<b>55-64%</b>
<b>C</b>	-	<b>50-54%</b>

"Successful people don't relax in chair  
They feel relaxed with there work .  
They sleep with there dreams.  
And awake with a commitment... "

Birds Sitting on the branch of a tree is not afraid by the shaking
